CW Educational Programming

Attached is a list of 3rd Quarter 2008 CW Children's Educational Programming for your public files.

Statement

This statement is designed to furnish you with additional information concerning the commercial matter contained in the network's children's programs, and to enable you to more easily comply with the requirements of the Children's Television Act of 1990.

The following is a list of all CW Television Network programs which were produced and broadcast with the intention of primarily reaching an audience of children twelve years old and younger that were scheduled for broadcast during the third quarter of 2008. Each of these programs were formatted to allow for no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial time per hour on weekdays.

The "E/I" notation represents "core" educational programming on The CW that The CW believes meets the FCC educational programming three (3) hour processing guideline.
